A Note From Ms. Jane Uy

Dear Parents,

As we continue to aspire in building an important foundation for each child’s educational experience, we would like to congratulate all our graduates who did a wonderful job during graduation. I am extremely proud of the children they have become. We are saying goodbye to some of our dear students, but even though good-byes are never easy, we are happy to see each flourish. We are confident that they will be successful in the future.

Please do not forget to let me know in advance (2 weeks notice would be great) if you

will be leaving on vacation or permanently. A note left on my desk is fine. If your child will be out 2-3 days, verbal notice is sufficient. Thank you.

July brings a large variety of exciting summer activities. We are planning a fun filled Summer Sessions that will be safe and exciting. From Petting Zoo, Water Play, Picnics, Carnival, Ice cream Parties, etc.

We will begin water play July 12. If you want your child to participate in our water play, please send a labeled swimsuit, towel, water-shoes, and sunscreen lotion.

Thank you for sharing your children with us this year; this

has been a very enjoyable year. Please remember that I am here for you and for your children; so if you ever have a question or concern, please feel free to come see me.

Sincerely,

Jane Uy, School Director
